

Biogents Mosquitaire Online Store: Shipping Zones for Express Delivery

We currently ship to the destinations below. The Biogents Mosquitaire will be shipped with express delivery by UPS. Shipment in the mainland of the EU is included in the product price. Deliveries to destinations outside of the mainland of the EU require additional shipping costs. These costs vary according to the destination.

To order, please note the Shipping Zone of your country or region and select the corresponding category in the delivery method of the shopping basket in our online store.
