JOHN PHILIP SOUSA:

Born November 6, 1854 in Washington DC. Sousa started his musical career with violin lessons. On the age of 13 he joined the U.S. Marine Band as apprentice musician. Seven years later he quit the U.S. Marine Band and performed as a theatre musician in Philadelphia and Washington. Now he began to compose in many styles. In 1880 Sousa became leader from the U.S. Marine Band and 12 years later he left the Military Band and formed his own civilian band. He travelled all over the world and made his music very popular. Sousa died on March 6, 1932 in Reading. In 1987 "The Stars and Stripes Forever" was officially recognized as the National march of the United States of America. With this collection we have choose some pieces that are very beautiful even if they are less popular.
